	A. Process Proposal- Don, Jackie (?)- Discuss and adopt the NFC Process proposal (see separate attachment)	20 min.
	B. Group communications- Roger –	20 min.

Issue: There are now at least 3 different communications systems:

- a. nirs@sanonofre.com was setup as the statewide email list after the 8-8-11 meeting
- b. decommission@sanonofre.com is the local San Onofre mailing list (the most active)
- c. Facebook - NFC page was set up last December, and has about 40 members. (some folks even moved over to Google+) as an alternative to Facebook.

The statewide NFC website was to take over and replace the NIRS mailing list, but that did not happen. There are technical issues to discuss. How can we coordinate communications better?

VI.	Next meeting/ Announcements	15 min. (5:00 P.M.)
