

The Myths of Biofuels

a presentation by **David Fridley**
of **San Francisco Oil Awareness**

*What is the energy return for biofuels
vs. the energy used
to produce them?*

*What is the environmental
impact of biofuels production?*

Do biofuels have a future?

*Are biofuels a sustainable alternative
to fossil fuels?*

Tuesday, April 10, 2007 at 7:00 p.m.

**The Pacific Energy Center
851 Howard Street
San Francisco, CA. 94103**

**Co-sponsored by:
the San Francisco Green Party Sustainability Committee
San Francisco Post Carbon
San Francisco Oil Awareness**
